What Is Sales Progression?

The ever-changing rules and regulations to purchase or sell property in Dubai can make it difficult to keep track of. However, the value-added service of The Sales Progression Department that fäm Properties provides to their clients will help ensure a smooth stress-free experience throughout the property transfer.

The Sales Progression Department is proficient in liaising on a daily basis with Banks, Property Developers as well as the Dubai Land Department. They have extensive knowledge of the procedure for any transaction case. Whether it's finance or cash based you can be assured professionals are handling your transfer.

Who Benefits From Sales Progression?

Both buyers and sellers benefit hugely from our services. Our Sales Progression Officer will guide you throughout the entire process of the transfer along with fulfilling all requirements needed to be completed after the transfer.

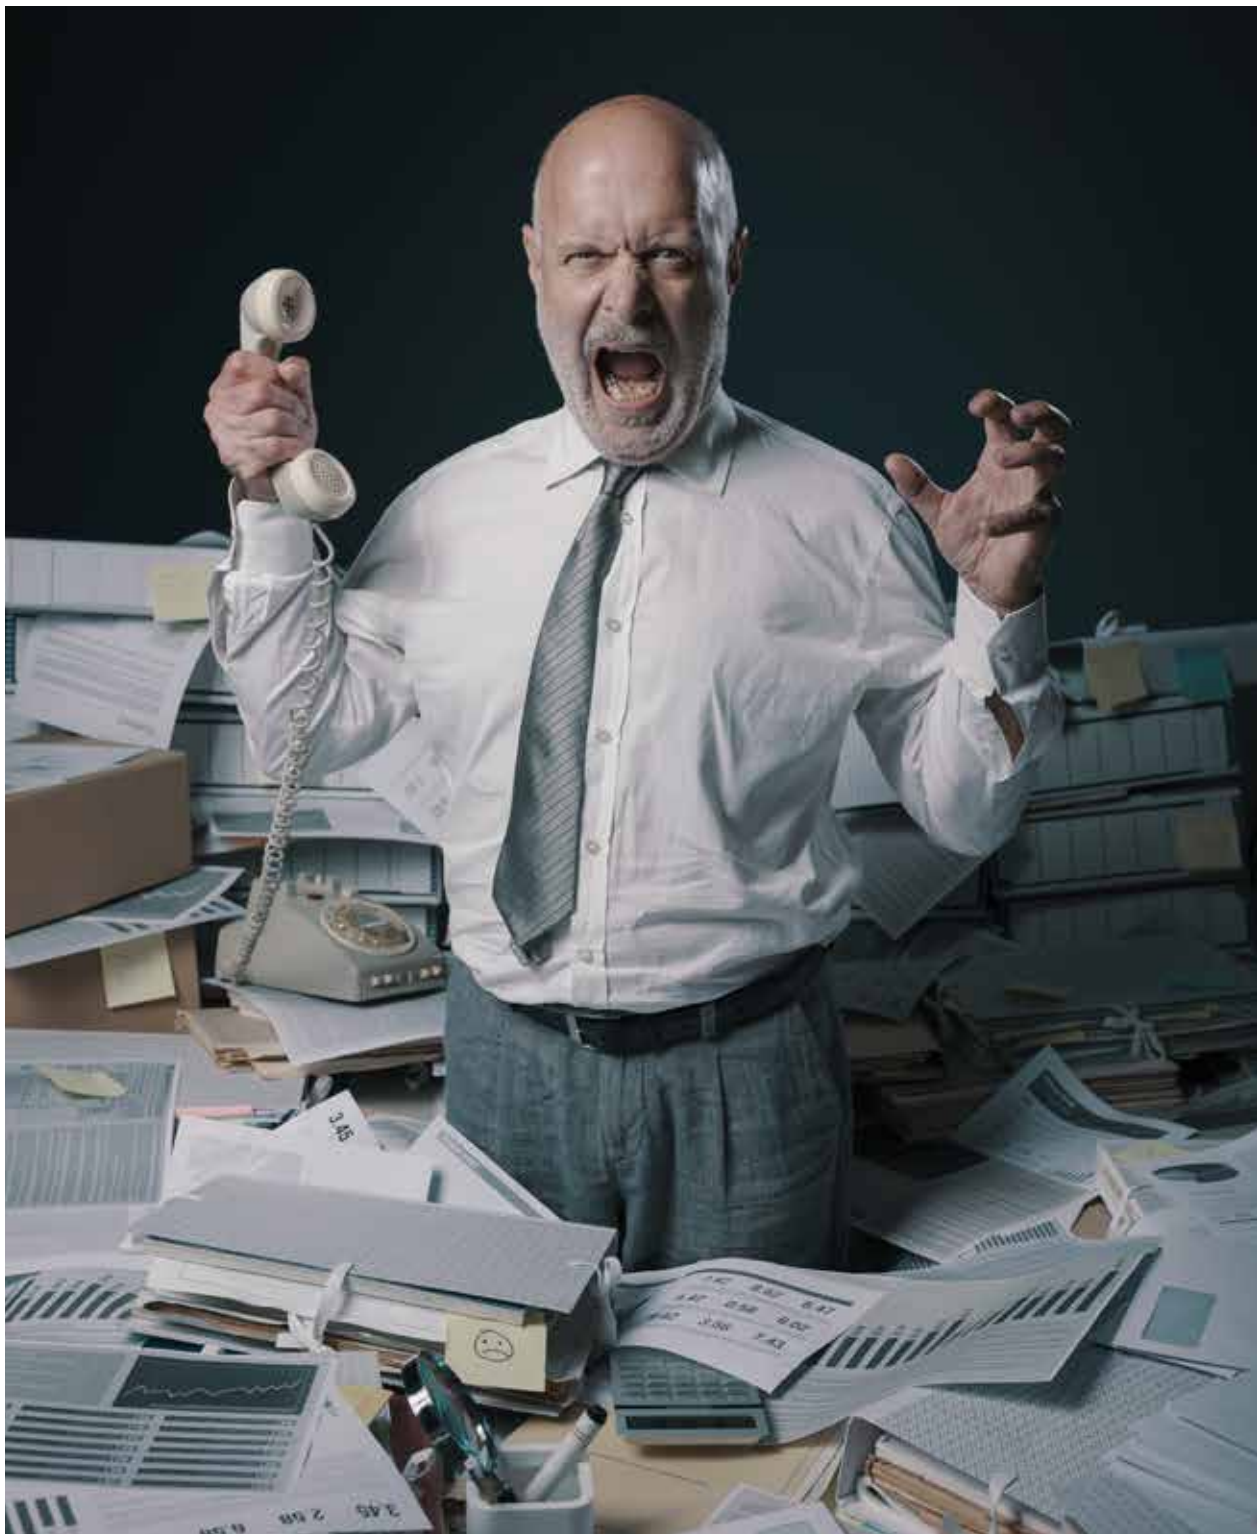

We assist **Sellers** with the following:

- Discharge of your Mortgage
- Discharge of utilities
- No Objection Certificate (NOC)
- In-Depth Financial Statements
- Transfer at the Trustee Office

We assist **Buyers** with the following:

- Applying for a Mortgage
- No Objection Certificate (NOC)
- Detailed Financial Statements
- Transfer at the Trustee Office
- Connecting Utilities

Can I Just Handle This On My Own?

Without the use of a professional Sales Progression Officer, you risk missing deadlines and miscommunication between all parties involved.

Following up with all parties is crucial especially when banks are involved. Failure to do so can result in vast delays or sometimes can jeopardize the entire sale.
